ABOUT

Shivam Malaviya

An International Cyber Security Expert with a proven track record across more than 10 countries, advising governments, speaking at global forums, and transforming how communities defend themselves online.

Author of India's first Cyber Crime Awareness book and recipient of the prestigious Bharat Pratibha Samman, Shivam's work bridges the gap between technical expertise and public education.

SHIVAM MALAVIYA

MISSION & VISION

“

To build a digitally literate society where every citizen, from the schoolroom to the boardroom, is equipped to defend themselves in cyberspace.

”

Vision: A world where cyber awareness is not a privilege but a fundamental right, taught in every school, every institution, across every nation.
